

<b>Strategy #1: To identify, address, and implement areas of improvement as indicated during accreditation process.</b>		<b>Measure of Success: Improve accreditation scores.</b>	
<b>Goals:</b>	<b>Responsible Party</b>	<b>Collaboration Needed</b>	<b>Target Date</b>
<b>Goal #1 Accreditation</b>  Implement book study with administration and teachers using Teach Lead Serve to address PLC. Identify strategies for success and implement those strategies into lesson plans and daily activities.	Principal	Teachers	2018-2019
<b>Goal #2: Accreditation</b>  Administration, teachers, and staff will receive Symbolon certification and will incorporate material into religion class.	Principal	Teachers	2018-2019
<b>Goal #3: Finance</b>  Continue to develop St. Joseph the Worker Alumni Association. Develop opportunities to invite Alumni to support St. Joseph the Worker School financially and in other ways.	Principal	School Committee	Ongoing
<b>Goal #4: Finance</b>  Continue to address and implement teacher salary increases. Work with the Finance	Pastor  Principal	Finance Council	Phase 1 April 2018. Phase 11 September 2019.

Council to continue to move towards salaries that can compete in the market.			
<b>Goal # 5: Enrollment</b>  Continue to develop relationships from baptism to encourage enrollment in St. Joseph the Worker School. Develop marketing material to be distributed to potential families.	Principal	School Committee	Ongoing

The above goals have been developed to align with the accreditation process to address areas of concern. The goals also have been developed to promote fiscal responsibility so the school will be able to stay open for future generations of students from the Beal City area. The administration, teachers and staff are committed to spiritual and academic life-long learning.
